Preparation Instructions

Grease demi loaf pans. Place a frozen loaf in each pan. Brush dough with melted butter or margarine. Let dough thaw and proof until triple in size (dough will rise to 1/2 inch above sides of pan). Bake in a preheated 325° convection oven for approximately 15 minutes (conventional oven - 350° for 20 minutes). Remove from oven and turn loaves out of pans immediately to cool on wire rack. Brush with additional melted butter or margarine if desired.

White Demi-Loaf

Honey Wheat Demi-Loaf

Bavarian Dark Demi-Loaf

White Bun Dough

Packaging

Bridgford products are packed in a moisture protection plastic bag for optimum quality. Simply remove as many trays as you need, and keep the rest fresh in your freezer for the highest quality bread every time!
